“PAY AS YOU GO” - Work Comp

National Insurance Specialists is pleased to announce our latest Billing product for Workers' Compensation.

Our Rental Industry has months where payroll may fluctuate due to increased employee payroll during summer months or a decrease of employee payroll during winter months. To assist you with your cash flow we have an additional payment option for your Workers' Compensation policy that will allow you to retain control over your Workers' Compensation premium based on your actual, real-time payroll each month, not estimated.

BENEFITS TO INSURED:

- ◆ Improved Cash flow for clients with Seasonal Exposures / Peak Seasons
- ◆ Eliminates Large Down Payments and Billing Fees
- ◆ Help to better manage your cash flow and ease your cash flow burden
- ◆ Minimizes Audit Adjustments
- ◆ No late fee Charges
- ◆ Monthly Reporting of actual monthly Payroll by Client via an online system “Pay As You Go”
- ◆ Automatically reported by client, premium calculated, billed and electronically paid based on your actual, real-time payroll.

Want to ease your cash flow burden?
